Proof Reading Techniques :

1. Grammatical error, Capitalization error, Numbering error.
2. Spelling error.
3. Inconsistency in the format of the document.
4. Misplaced words, Sentence structure errors.
5. Punctuation mistakes.

Review Writing :

Review Writing is one of the topic in publication. A story as a part of play or novel has given to write a review with it's plot construction, characters, literary form and other issues. Students have to write their own critical observation on the given topics. Here students are advised to write their own creative knowledge regarding literature. And students will developed their critical skills.

THANK YOU
