Instructions:

01. Examination eligibility and examination fee exemption for Heads of Department: Adjudicators of Colleges have examined the caste and income standard of the student Then entering in OASIS.

PRINCIPAL
S.V.M. Arts, Science and
Commerce College, ILKAL

02. Students can submit their test applications on the Story Portal after entering the student's test eligibility at CASE, requiring students to register once in the Student Portal. Student Portal Address: studentportal.universysolutions.in
03. Students paying a fee online by making a semester / subject in the student port should confirm all details. All the information can be paid through Online Payment Gateway (Debit Card / Net Banking - Wallets) before payment is made. Details of fee paid will be available in OASIS
04. Beware of students not having to pay the exam fee more than once and for no reason they will not be refunded if additional fees are charged.
05. Submitting a copy of the Caste / Income Certificate of the Examination Fee Exempt Students along with the List of Examination Proof Information to the Department and Examination Division.
06. Repeater students are not exempt from any examination fees
07. Applications received after the due date of the notification will not be accepted.
08. After reviewing the student's attendance, eligibility and test information, the Heads of Departments / Principals of the college shall confirm the admission of students through OASIS. The Principal of the respective department / Principal of the college shall be responsible if the admissions to the unqualified students are given.
09. Candidates must meet the minimum 75% attendance requirement by the end of 9 semesters. Students who do not attend this way should not be given a test admission test and should not be allowed to write the exam. Submission of a list of students who do not attend the examination to the University by Date: 30/08/2021.
10. Conduct clinical examinations traditionally conducted with the help of internal examiners in the university's 4 page answer paper. Practical factors must be entered in the OASIS on the day of the test, and the list of practical factors must be printed in the envelope sealed with the testers' signature and taken to the test section.
11. As per the Government order SC/ST students are exempted from payment of examination

S.V.M.A.V. Science and
Commerce College, UHAL

fees. However, exempted fees must be claimed from the concerned Department by the college and remit the same to the University regularly.

As per the Government order No. HIN VAR E 397/BMS 2013/BANGALORE, issued by Dept. of Backward Classes Welfare, Bangalore dated 05-09-2013, Backward Class students are exempted from payment of examination fees subjected to fulfillment of the following conditions:

- a. In case of Cat-I students whose parent's income is below Rs.2,50,000 and in case of Cat 2A, 2B, 3A and 3B students whose parent's income is below Rs.1,00,000,
- b. Have studied in Karnataka for at least 7 years.
- c. Have passed earlier exams or are under carry over benefit.

However, exempted fees must be claimed from the concerned Department by the college and remit the same to the University regularly. Colleges have to collect the examination fees from Cat-I Cat-2A, 3A and 3B students who do not fulfil above conditions along with examination application and remit the same to the University.

If the Candidate is a dependent of Leprosy (Kushtaroga) patient, necessary certificate shall be submitted as proof of the relation. Candidate dependent of Leprosy (Kushtaroga) patient medical certificate shall be obtained from Primary/ Talukal District Medical Officer and are exempted from paying the examination fees. Exempted fees must be claimed from Dept. Health and Family Welfare or Social Welfare department & must be remitted to R.C.U. Belagavi.

Examination Policy

As per the vision and mission our institution is always prepared and vigilant to maintain quality in the each and every aspect of the academics. The institution ensures all the standards are the core of examination process at all level during the academics which enable them to face any examinations with caution, confidence and solid preparedness in future.

Mechanism

As per the University circular, our institution conducts internal tests and semester examinations every academic year. To maintain transparency and systematic conduct of the examinations, the college established a committee which is chaired by the principal and assisted by the convener and others members.

The committee resolves the following policies:

1. The examination committee conducts meeting twice a year.
2. The First internal tests in the 8th week after the opening of the college.
3. The second internal test in the 12th week in every semester
4. The semester examinations will be conducted as per the university circular and schedule.
5. Preparing time -table for internal tests.
6. All the heads of the department are informed to prepare and submit the question paper.
7. Assignment of the invigilation works to the faculty members of various departments.
8. The department heads are informed to provide IA Marks lists of the students to the examination committee.

PRINCIPAL
S.V.M. Arts, Science and
Commerce College, ILKAL

9. The examination committee is responsible to enter IA marks in the OASIS portal of RCU, Belagavi.
10. To display the IA Marks on the notice board.
11. First internal test consist of 20 marks which will be reduced to 4marks and the second internal consist of 40 marks which will be reduced to 10. Remaining 6 marks are divided equally for assignments and attendance.
12. The list of invigilators appointed by the Examination committee will be will be given to respective faculty members.
13. One external examiner, the chief superintendent and deputy chief superintendent are appointed by the University for monitoring the examinations.
14. Examination committee is conducting a meeting before the commencement of end semester examination and informed the following rules and regulations to invigilators.

Code of Conduct

1. The invigilators maintain decorum at examination hall.
2. The Candidates must produce hall tickets before the invigilators.
3. The invigilators must ensure all the candidates are filled student details and OMR section correctly in the face of the Answer Booklet by signing in the space given and in the hall ticket, too.
4. The invigilator ensures details of students are not mentioned in any other pages apart from the space given in the face of Answer Booklet.
5. The invigilator must ensure all the candidates are provided with relevant question paper.
6. All types of communication gadgets are strictly prohibited in examination halls for invigilators and students.
7. The invigilators must remind students about the time lapsed during the exam.
8. The invigilators must ensure that all the students are following the updated SOPs of COVID19 Pandemic.

PRINCIPAL
S.V.M. ARTS, Science and
Commerce College, ILKAL

Grievances from the students

1. Grievances from students pertaining to discrepancies in marks statement.
2. The Examination committee assists students in the process of revaluation and recounting.
3. The college reschedules Internal Tests for the students who are the part of NSS, NCC, Sports curricular and co curricular activities.

2019-20 and 2020-21 COVID 19 Pandemic

1. During COVID19 Pandemic period, internal tests were conducted online mode via Google Form.
2. The odd and even semester examinations were conducted as per the schedule by following the SOPs of the government of Karnataka and Rani Channamma University, Belagavi.

Commerce College, ILKAL

II

1) we have $x = (200)^{1/3}$ and $20 = 93$

and $f'(x) = 3x^2$

By trial and error we have.

$f(0) = -20, f(1) = -23, f(2) = -16, f(3) = 3$

also $f(2.5) = -8.375, f(2.75) = -3$

So let $x_0 = \frac{2.5 + 2.75}{2}$

they say iteration table. we have

n	$f(x_n)$	$f'(x_n)$	$x_{n+1} = x_n - \frac{f(x_n)}{f'(x_n)}$
0	-3.2031	22.6875	$x_1 = 2.891$
1	0.1626	25.0736	$x_2 = 2.8845$
2	0.00002	24.9610	$x_3 = 2.884$

∴ The required root is 2.884.

2) To prove that n th differences of a polynomial of degree n is constant when the values of x independent variable are equally spaced.

statement :- If $f(x)$ is a polynomial of degree n then $\Delta^n f(x) = \text{constant}$ and $\Delta^{n+1} f(x) = 0$

proof :- Let $f(x) = a_0x^n + a_1x^{n-1} + a_2x^{n-2} + \dots + a_{n-1}x + a_n$ be a polynomial of degree n .

$$\Delta f(x) = \Delta [a_0x^n + a_1x^{n-1} + a_2x^{n-2} + \dots + a_{n-1}x + a_n]$$

$$= a_0\Delta x^n + a_1\Delta x^{n-1} + a_2\Delta x^{n-2} + \dots + a_{n-1}\Delta x + \Delta a_n$$

7 Answer any all the following question

- Q4 If cell is satisfied the two conditions are called reversible cell
- i) The chemical reaction stop when exactly equal external emf is applied
- ii) The chemical reaction is sto reversed the flow of current is opposite in direction the applied external emf is slightly higher than that of the emf
- If cell satisfied the above two condition is called reversible cell

Ex: Daniell cell, or voltaic cell

emf = 1.10V redox reaction

The apply emf is equal to the external emf 1.10V is called reversible cell

It is not reversible cell it does not satisfied the above condition it is irreversible cell.

5) Surface tension: Surface tension is defined as force in newton acting right angle along 1 meter length.

5) Surface tension: Surface tension is defined as force in newton acting right angle, in a liquid surface along 1 meter length of surface is called surface tension.

S.T unit of surface tension is "dyne/cm" "Nm"

S.T unit of surface tension is "Newton per meter"
