SVM ARTS SCIENCE AND COMMERCE COLLEGE, ILKAL
GENDER SENSITIZATION: ACTION PLAN

Introduction: Our Institution proposes to eliminate unlawful activities, discrimination, harassment and victimization and any other conduct that is affecting equality of stakeholders. We ensure respectful and dignified behaviour and maintain a standard at the workplace. The Institute sensitizes all the employees and follows up gender issues regularly. After admission, the new students are brought to the sense of sensitization by regular sessions in the Induction programmes. From admission onwards the new students are to have their Mentor sessions with the teacher counselor to positively influence them for their learning and emotional well being. The sessions include advising the students on their personal problems and help with solving problems and conflicts related to the learning and adjustment in the college. Moreover, it should also include the matter of recognizing the behavioral issues of the students and provide proper guidance to resolve them. Meetings between the mentor and mentee are to be conducted for them to smoothen the burden of study and to ease the stress in the new atmosphere. “No Discrimination Policy” has been strictly followed by all means to ensure equal and unbiased measures for everyone for their teaching & learning activities. It ensures equal rights and participations in regular cultural activities, sports, NCC, debate, celebrations, and performing arts, girl students are encouraged without any sign of gender discrimination. Women and men faculties are given equal participations in different activities performed throughout the year. The committees formed include women faculties. Awareness programme for safety and security on regular basis are conducted. Girl students have been encouraged to undertake their physical fitness by joining gymnasium provided by the institute. Besides these, there are a plenty of opportunity to explore other different forms of sports in the college. The Institute conducts regular meetings of the committee of the Grievance redressal for Sexual Harassment of Women at Workplace to look after the fact that safety and security in all such aspects are maintained. Different activities and topics related to gender sensitization have been conducted by Women empowerment Cell and other forums. Programs have also been conducted on women’s rights, Law etc.

Exploring Institutional Data of Gender: The initiation taken for gender sensitization is reflected in the increase of appointment of female faculty from 19.64 % in the year 2016-17 to 25.55 % in the year 2020-21.

Year	% of Female Faculty	% of Male Faculty
2020-21	25.55	74.55

2016-17	46.50	53.44

Action Plan: The Action Plan identifies broad areas for focused attention that will enable strategic, sustainable and meaningful change at our college. The Action Plan helps us, over the next years, to navigate and accelerate the gender equality journey that must take to improve the engagement, retention and advancement of

female staff and students. The Institute is committed to embedding this Plan, devoting appropriate resources to its implementation, monitoring, reporting, and evaluation, and supporting leaders to develop and implement operational plans. We will continue to pursue and report on statistics of the participation and experience of our staff. In adopting and implementing this Gender Sensitization Action Plan, our Institution demonstrates how it values the richness of diversity amongst its staff, and recognizes its responsibilities to take Institution-wide transformative actions to enhance inclusion for all.

We encourage and raise awareness and aspiration among female students. We regularly work with Social service activities where our support systems arrange programs of gender awareness among villagers. Gender issues are addressed through classroom transactions and visiting to nearby women's schools/colleges to create awareness of higher education and gender sensitization. In the college, programs are organized to help develop perceptions of various courses offered by the institute, the possible job opportunities and the overall personality development. We engage in visits to local and secondary schools encouraging female school pupils to pursue their studies. We actively support initiatives of our students who organize awareness events and rallies in the nearby villages and schools. The main goal of such events is to raise the level of awareness among female students as well as their parents, especially mothers, regarding health & hygiene, benefits of girls pursuing higher studies, and their legal rights, so as to empower them to take informed decisions. Our NSS partnership with local village bodies in the form of adopting the villages has informed us the issues to be addressed and the direction in which we need to focus our actions in the Action Plan for Academic Years.

Proposed Action Plan:

1. Constituting various committees to address gender related issues
2. Enhancing democratic Leadership Qualities through Gender Sensitization programs, and implementation of actions to increase gender awareness.
3. Capacity Building of staff to address gender imbalance and enabling women to have a wider role in governance decision-making by managing their personal and professional life.

4. Exploration of gender within the curriculum and use of extracurricular activities to address gender stereotypes
5. Legal Awareness concerning women rights
6. Encouraging Admissions and Job Opportunities to ensure that our admission processes address the gender imbalance
7. To encourage more number of female applicants for teaching and non-teaching positions
8. Counseling sessions to be conducted to address gender issues.
9. Safety measures are implemented
10. Extending support to ensure that our environment is gender inclusive and minority gender students at our college are supported and encouraged.
11. To take care of Health and Hygiene of students and staff
12. To recognize and represent multi talents of women
13. To raise awareness among females regarding various societal issues concerning women
14. To organize the programs on the topics related to Women Rights and Gender equality
15. Faculty members promote working together, mutual respect for leadership roles, facilitate impartial participation in classes
16. The College conducts gender sensitization programs related to Sexual Harassment, Ragging, Women and their rights, and Gender Discrimination by inviting experts in the respective fields.
17. College has women empowerment cell, Anti-Sexual Harassment cell, Grievance Redressal Cell to address the of the gender related issues.
