

SVMVV SOCIETY'S
SVM ARTS, SCIENCE AND COMMERCE COLLEGE, ILKAL

✚ **First Best Practice 1: WORD BANK**

✚ **Introduction:**

English has become the world's lingua franca due to the fact that it is the common language or mode of communication that enables people to understand one another regardless of their cultural and ethnical backgrounds. It makes communication a lot easier and understanding one another has become efficient. English is the language of science, aviation, computers, diplomacy and tourism. It is the language of international communication, the media and the internet. Whether it is for professional or personal reasons, understanding the importance of English will help reaching goals of students.

✚ **Objectives of the Practice:**

- To enrich vocabulary of the students.
- To understand English grammar aspects
- To understand use of proper vocabulary in communication
- To enrich English usage
- To understand basics of vocabulary
- To enrich the vocabulary of students.
- To provide platform to improve communication skill of the students

✚ **Context:**

Well developed communication skills are vital to students' academic success. At all levels of education, students must be able to communicate effectively. Without well developed communication skills, students run the risk of falling behind their peers or becoming emotionally overwhelmed or withdrawn at college. For a student, learning good communication skills—which involve reading, writing, listening, and speaking—will not only help with socialization and classroom performance, but will serve them well in all areas of their life. For a teacher, communication skills are vital. English speaking and writing is integral part of all professions. Effective English communication depends on the power of vocabulary. Hence our institution took initiation to enrich vocabulary of students.

✚ **Practice:**

The planning and execution of best practices were entirely managed by the English

Department. Under the guidance of IQAC, the entire activity is carried out through put the year. The task of writing words with its usage every day on the display board is allotted to a group of students of a particular class. Students write a word every day with meaning of the word and its usage. Further, this task is given to the students of another class. This task is carried out throughout the year by different classes.

✚ **Evidences of Success:**

- Improvement in communication skills of students
- Faculty also shown interest in their vocabulary enrichment and produced good research papers
- Project writing and assignment writing skills improved
- Placements increased
- Increase in students results

✚ **Resources Required:**

- A Digital Dictionary or a Hard copy of Dictionary
 - Display board to write vocabulary
 - Colour Chalk pieces
-

✚ **Best Practice 2: SUNDAY CLASSES FOR COMEPTITIVE EXAMINATION**

✚ **Objectives:**

- To prepare students for competitive exams
- To organize training programs for competitive exams
- To create awareness about the competitive exams
- To provide exclusive books and magazines on Competitive exams
- To provide Internet facility to fill the application forms for competitive Examinations

✚ **Context:** Government or Private Recruitments are based on the candidates' performance in competitive Examinations. Testing of a candidate in Competitive examination is based on the IQ, rational and analytical thought, reasoning etc. Competitive examinations also aid in career selection because students begin to recognize their areas of interest while gaining a deeper understanding of subjects.

Practice:

The planning and execution of these activities were entirely managed by the convener of the Center. Under the guidance of IQAC, the entire programs are conducted throughout the academic year. Only major aspects of the activities were discussed with the top management and their concurrence obtained. This committee is autonomous, in which the committee draws out the entire programme / activities based on the broad guidelines provided by the IQAC. To lay the groundwork for a successful career our institution started Sunday Classes for competitive examination.

Functions of the Center:

- 1) Notification of jobs brought to the notice of students
- 2). Each Competitive exam testing parameters are taught in detail on Sundays

Resource Persons:

- o Outstanding achievers and recently passed out students in competitive exams are invited as resource persons /chief guests
