Visit to the Botanical Garden

S.V.M Arts, Science and Commerce College, Ilkal-587125

Report on Study tour to Horticulture University Bagalkot and Almatti Garden for

B. Sc.VI Botany students

Submitted to The Principal

Excursion In charge: Asst.Prof Rohini S Pol (Head of the Botany Department)

Staff Accompanied for the study tour: Miss Veena P.N & Attender Mr. Angadi

No of Students: 27

Date: 09/06/2022

Time: 8:00 am to 8:00 pm

Day: Thursday

Objective of the visit: To Visit Biotechnology Laboratory, Fermenters, To study vegetative propagation techniques and To study the Medicinal Plants in Almatti Nursery affiliated to Karnataka Forest Department.

About the place:

The University of Horticultural Sciences, Bagalkot Karnataka is the third Horticulture University in the country and first in the State, which came into existence through a Special Ordinance issued by the Governor of Karnataka vide No.2 of 2008 on 22nd November, 2008 and duly enacted by Karnataka Act No.11 of 2010 dated 13-05-2010. Bagalkot was rightly chosen for university headquarters as the district is known for its rich horticultural production base of grapes, pomegranate, banana, lime, sapota, ber, fig, vegetables, beetle vine, coconut, spices and medicinal plants. This region possesses congenial climate for production of all kinds of horticulture crops besides its rich historical and cultural heritage making it an ideal place as headquarter of the Horticulture University.

The Lal Bahadur Shastri Dam is also known as Almatti Dam is a hydroelectric project on the [Krishna River](#) in [North Karnataka](#), India which was completed in July 2005. The target annual electric output of the dam is 560 MU (or GWh) beside Dam there is Nursery by Karnataka Forest Department situated about 54 kms from Ilkal. Varieties of plants belonging to different plant groups were grown. Nursery is well maintained and managed along different plant species, it is pleasurable to walk and observe the plants with their Botanical name and common name.

Nursery had Ploy houses and Greenhouses. To name a few plant species *Alstonia scholaris*, *santalum album*, *Tectona grandis*, *Adathoda zeylanica*, *Phyllanthus emblica* etc were grown.

Purpose of the tour:

To study biotechnology instruments and their working.

To study the mechanism of Plant Tissue Culture Laboratory

To Borden students' horizons and knowledge through introduction of plant diversity especially the medicinal plants.

Apply knowledge and skills in Lecture and Laboratory

As a training tool for planning and implementation of Nursery by direct observing the species and habitat.

Explore the possibility to do research in medicinal plants.

Strengthen the friendship among students and student Teachers relationship.

We left around 9.00am in the morning and returned around 8.00 pm in the evening.

Asst Professor. Satish Fatepur explained about the Nursery, Vegetative Propagation, Artificial Propagation and its techniques.

Demonstration of growth and habitat of plants in Polyhouse

Mr. Swami Gardner explained the techniques of Artificial Propagation

Asst Professor Rudaresh explained the working of Fermenters in Biotechnology Laboratory

Asst Professor Rekha explained the working of Biotechnology Instruments.

Asst Professor Rekha explained mechanism of Tissue Culture Laboratory

Outcome of the Study tour:

Field trips to Horticulture University and Nursey, natural environments provide opportunities for students to learn, develop new interests, and improve environmental attitudes and behaviours. This study points to the importance of strong pedagogy in these learning environments, particularly when the guide is instrumental in shaping the field trip activities.

Develop the basic laboratory techniques of a biotechnology or bioscience lab, Supplement and enrich the lecture portion of the course, which deals predominantly with biotechnology techniques, Develop critical thinking skills in the students, Encourage teamwork and accountability among the students, Practice accuracy in calculations and in writing scientifically, Develop multitasking skills, Encourage students to take charge of their learning, Learn the responsibilities associated with working in a company

It was an amazing and informative trip to Laboratory and Nursery. We got to see different types of plants flowers and trees which have medicinal value.

By seeing the structure and function of Polyhouse and Greenhouse, we learnt that we can take floriculture and Horticulture as a profession which can certainly reward us with good results.

From,

Asst Prof.Rohini S Pol

Head of the Department Botany

NSS ANNUAL REPORT: 2021-22

Our NSS units are satisfactory working in the last 50 years. We are proud to say that our units are doing commendable work. Under the proper guidance of the Principal and NSS advisory committee.

The total strength allotted to each unit for regular activities is 100 Students. It is brought to the notice of the volunteers that NSS imparts education through community service for rural development. NSS was formally launched on 24th September 1969. 24th September is celebrated every year as NSS Day with various programmes and activities.

Current Year's NSS Activities started by celebrating International yoga day on 21-06-2022, with daily regular activities such as Independence day and Republic day, Mahatma Gandhi and Lal Bahadur Shastri Jayanthi, Kannada Rajyotsava, AIDS Awareness programme, Tree plantation, Campus cleaning etc. and most of the periods were conducted in college campus.

In the current year, our NSS Units have organized special events as follows.

- De-addiction Day – Awareness Rally was celebrated on 01-08-2022. In that rally more than 60 volunteers and our college Students were participated.
- 21-june 2022 NSS Units organized International Yoga Day, Mass Yorgason was performed by Students and staff members.
- 15-08-2022 Independence Day (Ajadi ka Amrutmahotsva) celebration organized in the College. 100 volunteers were participated in the function.

- 22-08-2022 NSS Volunteers were participated Vachana Jatra Mahotsav In Ilkal.
- National Service Day was celebrated on 24-09-2022. More than 50 volunteers were participated in that function.
- “World AIDS Day” was celebrated on 01-12-2022 in association with NCC and YRC. Total no of Students was participated in the event were 100.
- ‘National Youth Day’ and Swami Vivekanand Jayanti was celebrated on 12-01-2023 in association with IQAC and Rotary club Ilkal. 100 volunteers were participated in the function.
- On 26-01-2022 Gandhi Jayanti and Lalbahudur Jayanti celebrated.
- National Unity Day was celebrated on 31-10-2022, 60 volunteers were participated in the function.
- National Voters Day was celebrated on 25-1-2022, 64 volunteers were participated in the function.
- On 26-01-2022 Republic Day was celebrated. 100 volunteers were participated in the function.

Our NSS Unit has conducted a number of Socio-culture programmes, both under the direction of the University Cell, as well as self-promotion. Volunteering works hard for the overall evolution of their personality through the launch of many programmes that complement personality development.
